WHAT'S AT STAKE

Your reputation is on the line

Customers, tenants and health inspectors notice pests before they notice anything else. You need a program that prevents problems quietly and proves it on paper.

- ✓ Ready for health and third-party inspections.
- ✓ Fast response when something shows up.
- ✓ Service that doesn't disrupt your customers.
- ✓ Rodent programs with tamper-resistant stations and monitoring.

One truck, one owner. Scheduled around your hours.

OUR PROGRAM

Prevention first, documented always

- 1 Site assessment**
We walk the facility, identify risks and build a plan around how your business runs.
- 2 Scheduled service**
Visits timed around your hours, with monitoring devices in the right places.
- 3 Documentation**
A service report after every visit: findings, products used and recommendations.
- 4 Rapid response**
Call or text the owner directly when you need us between visits.
